

Laura McCoy is running for re-election to the Green Bay School Board on Tuesday, April 7th. I know Laura from her community activism and her dedication to leadership in the community. She's so smart and the Green Bay School District is lucky to have her on its school board.

At a time when there is so much division in our communities, people like Laura are needed more than ever. She's even-tempered, thoughtful and experienced. She used her past three terms on the Board to learn and assume more responsibility as the Legislative Liaison, Treasurer and President. She continues to engage deeply with many district committees, task forces and work groups on issues from school safety to sustainability. She's such a positive force with a clear plan for the future of our children and our schools.

Please vote for Laura McCoy for Green Bay District School Board on Tuesday, April 7th.
